# How to Schedule and Join a Video Visit

Direct-to-Patient Video Visits enable you to invite any patient to join a videoconference.

1

Log in to otnhub.ca

2

Use **Connect to a Patient at Home** at the top or click **Videoconference** in the bottom navigation bar, and click [Connect to...].

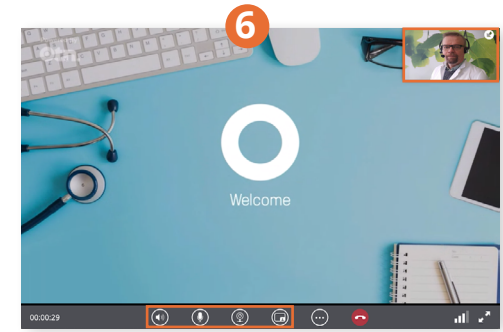

3

Make sure **Guest via OTNinvite** is selected. Enter the name, email, event type, and title. Click [📅] to schedule an event.

4

Select the desired Date, Start & End times, click **Schedule**, and confirm the details to send the email invite.

5

To start the video visit at the time of the appointment, log in to otnhub.ca, click **Videoconference** in the bottom navigation bar, select the event and click [📞] to join.

6

Once connected, you will see your self-view in the top right corner. Wait for the patient to join. Ensure your camera and microphone are on.
